

Transforming education into playful adventures

at Little Experts, where we believe in transforming education and empowering every student to become a confident, knowledgeable, and skilled individual.

About us

Founded by Radha Thanigaivel, a former teacher and Certified IELTS trainer, Little Experts is dedicated to nurturing young minds and helping them excel in their academic endeavors. Established in 2021 with just two students, we have proudly coached over 200 students to date.

Engaging and Fun Phonics Activities

We specialize in advanced phonics, drawing inspiration from the highly effective teaching strategies used in the USA. Our phonics activity center is meticulously designed to make learning

engaging and fun for primary kids. By incorporating interactive and stimulating activities, we ensure that

children build a strong foundation in reading and literacy, setting them up for long-term academic

success.
